

Pre-Training Survey

Please take the survey before the training starts. If it already started, take the survey now.

1. What is your position at this clinic or practice? (Mark all that apply.)

- | | | |
|--|--|---|
| <input type="checkbox"/> Pediatrician | <input type="checkbox"/> Nurse | <input type="checkbox"/> Practice manager |
| <input type="checkbox"/> Family physician | <input type="checkbox"/> Medical assistant | <input type="checkbox"/> Administrative staff |
| <input type="checkbox"/> Other physician | <input type="checkbox"/> Resident | <input type="checkbox"/> Other, specify position: _____ |
| <input type="checkbox"/> Physician assistant | <input type="checkbox"/> Student, specify program: _____ | |
| <input type="checkbox"/> Nurse Practitioner | | |

2. How many years have you been in this or a similar position?

Count only years after training/residency/fellowship.

- 0 1-4 yrs 5-9 yrs 10-14 yrs 15-19 yrs ≥20 yrs

3. About how many 11-17 year old patients do you see in a typical week?

- 0 1-4 5-9 10-14 15-19 ≥20

4. What is your role in adolescent vaccination? Do you ...

(Mark all that apply.)

- | | |
|---|--|
| <input type="checkbox"/> Schedule appointments | <input type="checkbox"/> Administer vaccines |
| <input type="checkbox"/> Prescribe vaccines | <input type="checkbox"/> Document vaccines |
| <input type="checkbox"/> Answer parents' questions about vaccines | <input type="checkbox"/> I don't have a role in adolescent vaccination |

Say how much you agree or disagree with the following statements about HPV vaccine for 11-12 year olds.

	Strongly disagree	Disagree	Neither agree nor disagree	Agree	Strongly agree
5. Routinely recommending HPV vaccine is important to me.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
6. Most parents think HPV vaccine is important for their 11 or 12 year olds.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
7. I feel confident addressing parents' concerns about HPV vaccine.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
8. I plan to routinely recommend HPV vaccine when patients turn 11 or 12.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

STOP! Complete the post-training survey on the back at the end of the training.

Be sure to complete the survey on the other side of this form **FIRST**, before the training!

Post-Training Survey

Please take this survey as soon as the training ends.

Consider taking a first step toward routinely using the Announcement Approach in your practice. Making a specific plan about exactly when, where, and how can be helpful.

1. I will try the Announcement Approach to recommend HPV vaccine with five 11-12 year old patients. If I do not meet this goal in the next two weeks, I will use the strategy with the next five eligible patients.

Yes, I agree to do this No, I do not agree to do this I do not see 11-12 year old patients

Say how much you agree or disagree with the following statements.

	Strongly disagree	Disagree	Neither agree nor disagree	Agree	Strongly agree
2. Routinely recommending HPV vaccine is important to me.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
3. Most parents think HPV vaccine is important for their 11 or 12 year olds.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
4. I feel confident addressing parents' concerns about HPV vaccine.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
5. I plan to routinely recommend HPV vaccine when patients turn 11 or 12.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
6. I plan to use the Announcement Approach when recommending HPV vaccine for adolescent patients.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
7. The Announcement Approach will easily fit into well child visits.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
8. The Announcement Approach will fit into my clinic's work flow.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
9. I would recommend today's training to colleagues.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
10. The physician who gave the training was an effective teacher.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Thank you! Please return your completed survey to the facilitator.
